CAPABILITY STATEMENT

ABOUT US

We are a family owned business and have been running for over 15 years! We began this business after our father who was in the same field and ran his own place in Puerto Rico years ago! Since then, we have decided to carry out his dream and business and keep it alive. We pride ourselves in our honesty, hard work, and excellent service.

OUR MISSION

Our mission is to provide quality design, installation and service for heating, ventilation, and air conditioning (HVAC) equipment. As well as appliances repairs in both residential and commercial.

OUR VISION

At AK Air Conditioning and Appliances, we envision a world where every home and business enjoys seamless comfort and functionality through reliable appliance and air conditioning solutions. We strive to be the trusted partner that individuals and organizations turn to for their repair needs, setting the standard for excellence in service and customer satisfaction. Driven by innovation and a commitment to quality, we aim to revolutionize the repair industry by continuously adapting to evolving technologies and customer demands. Through our dedication to integrity, professionalism, and sustainability, we aspire to build lasting relationships with our customers, employees, and communities. Together, we are shaping a future where efficiency, comfort, and peace of mind are within reach for everyone we serve.

TESTIMONIALS

"Alex was an excellent service person. He was on time, diagnosed the problem, and proceeded to fix it. I have used his service first time and he did excellent work. Highly recommend!"

– Iryna Armenian

"Alex did a great job fixing our refrigerator ... responded quickly to our call, arrived on time and knew exactly what the problem was (plugged drain for ice maker). The refrigerator was working perfectly in no time! Highly recommend them."

– Patricia Riccio

"I was looking for a good used washing machine that was NOT water efficient that had an agitator. I was looking on FB marketplace and AK Appliance popped up. I stopped in and Geo was very helpful! I wanted something basic where I could control the water level so it would actually clean my clothes. Geo found the perfect washer at a reasonable price. It was in great condition, it cleans my clothes great and I love it! I'm very happy! Thank you!"

– Lisa De Lovely

"Came to fulfill a warranty on a washer that went out. Made the appointment come incredibly promptly and got it fixed 100%. Great service, Alex was very friendly and very professional."

– Talan Gwin
